

NORU TOWNHOUSES

Six Private Townhouses · Ungasan, Bali

BY GERMAN DEVELOPMENT PARTNERS

THE LOCATION

Perfectly Positioned. Effortlessly Connected.

The location is ideally situated: Uluwatu and Bingin are just minutes away, and the airport is easily accessible. The property sits right in the triangle between these destinations, making it perfectly suited for expats based in Ungasan.

The street is a dead-end road, accessible only to the villas within our complex. This ensures complete tranquility, with select units enjoying unobstructed, permanently protected views.

THE CONCEPT

Everything You Need. Nothing You Don't.

These townhouses are designed for a life of simplicity and sophistication. You have everything you need — a modern kitchen, private pool with sun deck, a sunken living area that flows seamlessly to the outdoors, two bedrooms (one perfect as a home office), and a storage room for everyday convenience.

Whether you're an expat seeking a practical, stress-free home or an investor looking for a turnkey rental property — this is effortless living at its finest.

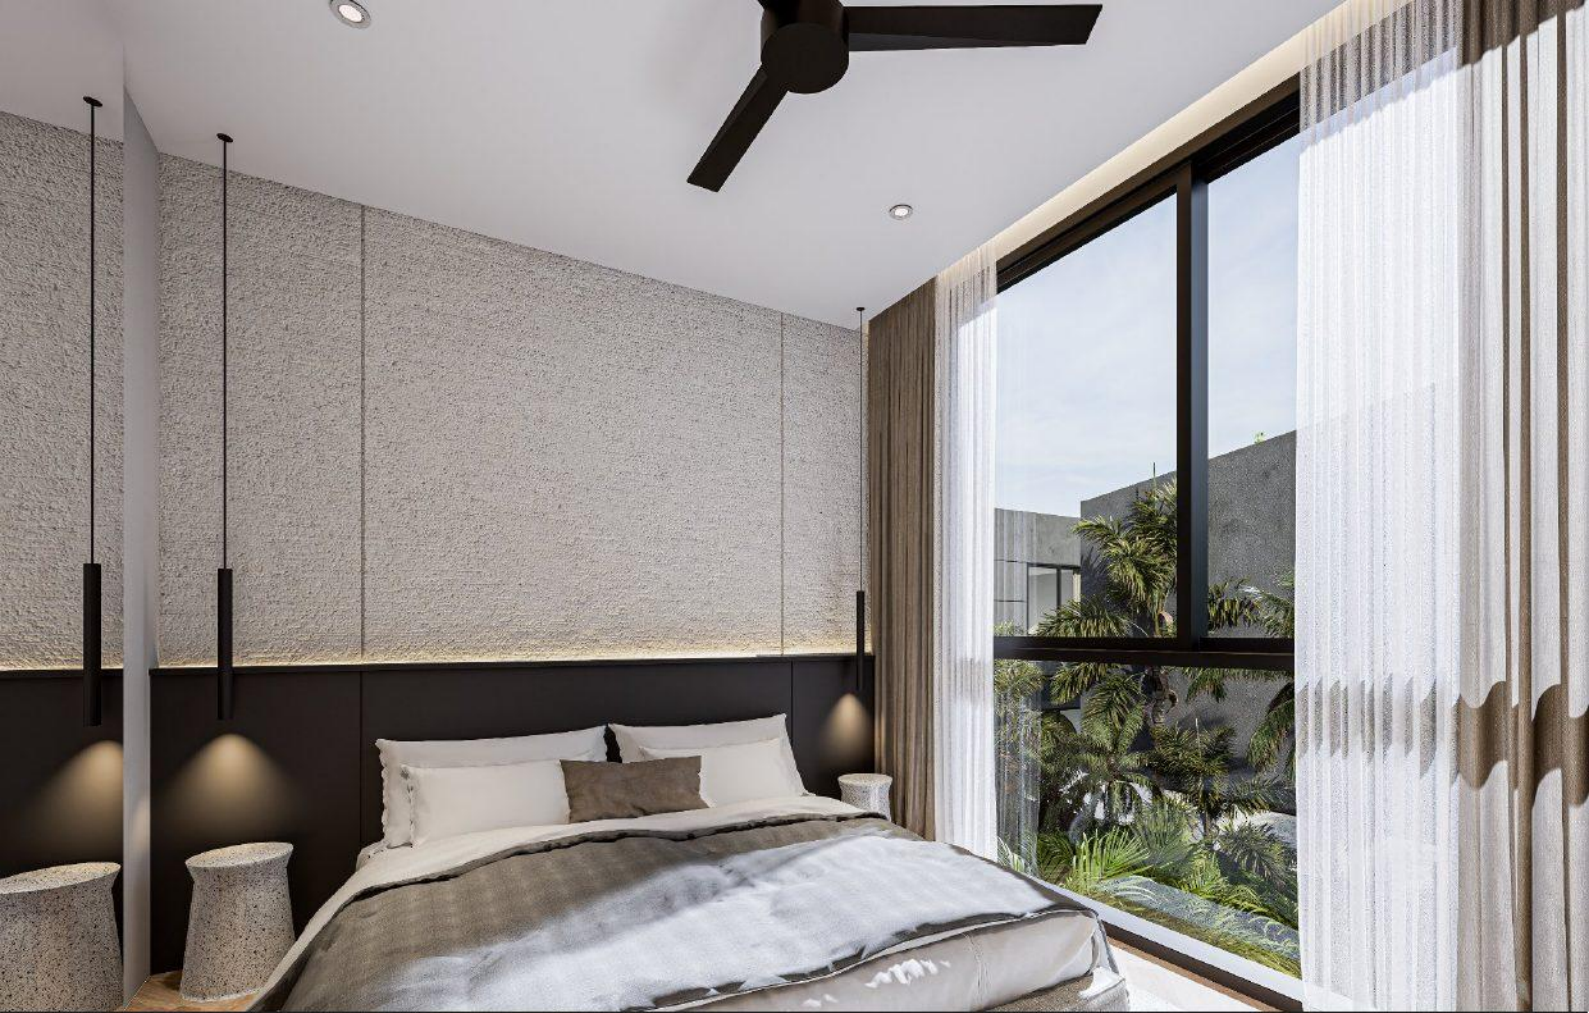

- Modern fully-equipped kitchen
- Private pool with integrated sun deck
- Sunken living area with pool views
- 2 bedrooms (1 convertible as office)
- Dedicated storage room
- Semi-open bathroom with tropical garden

INTERIORS

Crafted for Comfort.

Herringbone timber floors, terrazzo countertops with integrated wine cooler, matte black fixtures, and floor-to-ceiling glass — every detail is considered. Premium fittings and windows throughout.

PRIVATE SPACES

Your Personal Retreat.

Two generous bedrooms, each a sanctuary of calm. The master suite features textured stone walls, pendant lighting, and panoramic garden views. The second bedroom doubles seamlessly as a private home office.

OUTDOOR LIVING

Tropical Serenity.

Your private pool is framed by lush tropical landscaping and a built-in daybed alcove — the perfect spot to unwind. The seamless indoor-outdoor flow makes every day feel like a retreat.
