

UNGASAN

Noru Townhouses

AVAILABLE

Effortless living in Ungasan — an affordable entry to the Bali market.

A boutique collection of six contemporary townhouses in Ungasan — four still available. Designed for effortless, practical living and pared back to the essentials, with no unnecessary frills. 80 m² of building on an 80–100 m² plot, with an optional rooftop terrace — an affordable entry into the Bali property market.
